Divorce is Recognized as a Very Stressful Experience

A divorce creates many changes in a young person's life. An old way of living is ending and there is anxiety that the future will be less loving.

Divorce for you, as a parent, also requires many adjustments, but, no matter what turmoil you have in your own life, you still have the responsibility to assist your children in their growth and development.

You can help your children meet the challenges that divorce brings by understanding through what they are experiencing. By knowing how youngsters feel about divorce and the normal reactions they have to it, you will be in a better position to give assistance.

It is hopeful that the divorcing seminar, "**Helping Children Cope with Divorce**", can help you and your children understand and adjust to the changes being experienced and that it will set the stage for future family growth.

Seminar Topics Include:

SCANNING DOCUMENTS TO BE E-FILED

What format must my documents be in to e-file at the Clerk's office PAT?

What format did you bring your documents in for filing today? Did you bring in a stack of original papers for filing; or rather are the documents in a digital format and located on a jump drive?

The PAT will not allow you to visit websites other than www.peachcourt.com. Additionally, you are NOT allowed to insert a jump drive into the PAT. Therefore, if your documents are saved in your email or on a jump drive, you must print them out and bring in a paper format for eFiling.

All documents for e-filing with PeachCourt must be in a PDF format. Our office scanners will automatically convert your paper documents to a PDF format. You will not need to use a PDF converter program, unless you chose method 1 to file from the convenience of your home and your scanner doesn't auto convert to PDF then you will need to purchase or download a PDF converter program.

If you are initiating a new case, you will likely have multiple proceedings that must be e-filed. For example, if you are e-filing a new, Uncontested Divorce, you may have various documents such as a "Complaint" or "Acknowledgement of Service". Each document must be saved individually in a PDF format and given the appropriate title. It is suggested that you title each document with the heading that is included on the form you are using. For example, if your form is titled as a "Child Support Worksheet", you should save the document as a "Child Support Worksheet".

Follow the instructions below for scanning: (Please read completely before starting)

- 1) Place your first set of documents (i.e. "Complaint") in the scanner in the face-down position and press the blue button on scanner.
- 2) After your documents are scanned, you will be directed to a scan folder screen, click save to folder. Again, each individual proceeding must be scanned in separately.
- 3) It is strongly suggested that you "rename" these documents appropriately to make the e-filing process easier as you continue. To locate and rename your scanned documents, you will need to select the "**My Document folder**" which is located on the desktop. You should see the image that you scanned with a generic title. If you will right-click on the "scanned image"; select "rename" and then type in the appropriate name of the document (i.e. "Complaint", Complaint for Divorce, etc.)
- 4) You will repeat this scanning process for each individual proceeding that you plan to include in your e-filing. Again, it is strongly suggested that you name each document appropriately so that you can quickly locate when you begin the e-filing process.
- 5) FYI – If you do not delete your images from the "SCANS" folder at the completion of your filing, they will be deleted by the Clerk's Office Staff. Please do not assume that your documents will be permanently saved on this computer for future use.

How do I eFile my documents into PeachCourt?

I have my documents in a PDF format. Now what do I do?

- 1) Log back into your PeachCourt Account.
- 2) Select “New Case” which is located in the top, center portion of the screen, which will direct you to the “Case Information” screen.
- 3) Select the “County” in which you are e-filing. You will choose “Liberty”. Please note that you can ONLY file in Liberty County on this PAT. You will not be able to use this PAT to e-file a case for another county, even if it is another county located within the Atlantic Judicial Circuit.
- 4) Select the “Court” in which you are e-filing. Your options will be either Superior or State Court.
- 5) Select the “Case Category”. Your options will include items such as “General Civil”, “Domestic Relations”, etc.
- 6) Select the “Case Type”. Your options will depend on which “Case Category” you previously selected. For example, if you are e-filing a Divorce, you will have selected “Domestic Relations” for the “Case Category”. Therefore, your “Case Type” will include options such as “Dissolution / Divorce / Separate Maintenance”, “Other Domestic Relations”, “Paternity / Legitimation”, etc.
- 7) You will now be asked a variety of questions which require a response. For example, you will be asked questions such as:
 - a. “Is this a post-judgment action?”
 - b. “Are there related case numbers?”
 - c. “Certify that this filing does not include any personal or confidential information (Pursuant to O.C.G.A. § 9-11-7.1)”
 - d. “Is an interpreter or disability accommodations needed?”
- 8) Next, you will be asked to provide information about each party in the case on the “Parties” screen.
 - a. Select “Add New Party” and enter information such as “Party Type”, “Name”, “Address”, “Email”, and “Phone Number”. When selecting the “Party Type”, you will be given several options to select from such as “Petitioner”, “Respondent”, etc. If you are not certain which selection to make for “Party Type”, you can click on the orange conversation icon in the lower-right hand corner of the screen and speak to a Customer Experience Team Member from PeachCourt via a text box.
 - b. You will now be asked to “Add New Party” and provide their information. Please note that you must select a “Service Method” for this party. This will include such options as “Filing Acknowledgement of Service”, “Sheriff’s Service Coordinated by Clerk”, etc. If you select to have the Sheriff serve the other party, you will be charged an additional \$50 for each service.
 - c. You must also select who will be “Representing” the filing party by clicking on the “Yes/No” box which is located directly below the “Representing” option.

- 9) After you have entered all of the “Parties”, select “Next” to continue the process. You will now be in the “Documents” portion of the process.
 - a. You must begin by “Selecting a Document Type”. Example: Complaint
 - b. Select the “Click to add a PDF file” to locate the document that needs to be uploaded. Your documents can be retrieved from the desktop folder (My Documents) and you should see the items that you previously saved. Please double click on the document and add a document description if you want to fully describe your document. Example: Complaint (further description box add complaint for divorce).
 - c. After you have located your document, select “Upload”. Once your file has been uploaded, you should see it listed in the “User Uploaded Documents” section. Again, please remember that each individual document must be uploaded separately.
 - d. Please note that PeachCourt automatically generates certain documents from the information you previously entered such as the “Case Information Form” and the “Summons”.
- 10) Select “Next” after all documents have been uploaded.
- 11) You are now ready to complete the e-filing process by making “Payment”. The “Court Fees” should indicate “\$218.00” which is the filing fee for Liberty County. There is an option for “Adding Additional Fees” if necessary.
 - a. The “PeachCourt Fees” portion should reflect an e-filing Fee of “0.00” if you are using the PAT within the Clerk’s Office.
 - b. Several payment options exist for your convenience:
 - i. Credit Card
 - ii. Debit Card
 - iii. Cash (exact amount only), to include Cashier’s Check / Business Check.
***** IF YOU CHOOSE TO PAY IN CASH, YOU MUST MAKE THIS PAYMENT TO THE FRONT DESK RECEPTIONIST AND RECEIVE A RECEIPT FOR YOUR PAYMENT*****
 - iv. Pauper Waiver
 - c. You now are in the very final stages of submitting your documents for filing. Please make sure to review the information on the “Summary” page for accuracy.
- 12) If all of the information is correct, you will select “Submit Filing”. You will immediately be asked again if you are certain that you want to submit your filing and you must answer “Yes”.
- 13) You have now successfully e-filed your documents! You will be given a Peach Number, please write down your number.

How do I Pay for the Filing Fees?

- Several payment options exist for e-filing on the PAT:
 - Credit Card / Debit Card (You will be assessed a “Convenience Fee” if you select this payment option.)
 - Cash (Exact amount ONLY), which also includes:
 - Cashier’s Check / Money Order / Business Check (NO personal checks will be accepted)
 - Pauper’s Waiver
 - Process for Filing a Pauper’s Waiver:
 - After you locate the correct form, you will bring the paperwork in for filing in a paper format. The Clerk will forward your request to the Court for review. The Court will be in contact with you via U.S. Mail (so please be sure to include a valid mailing address) as to the status of your request. If approved, you will be instructed to proceed by eFiling your documents (to include the Order Granting Pauper’s Affidavit). It is your responsibility to include the original Order Granting Pauper’s Affidavit, along with your other documents. In the “Payment” portion of the process, you would need to select “Pauper Waiver” to proceed with the eFiling of your documents.

Please remember that if you are e-filing Pro Se, you are acting as your own attorney. The Clerk’s Office can not give you any legal advice or instruct you which forms to use. If your filing is accepted by the Clerk, but the Court decides it was not properly filed, you will not get a refund for the filing fees. Again, by acting as your own attorney, you are taking responsibility for filing the correct forms in the appropriate court.

If you have any questions regarding this part of the e-filing process, you will need to contact PeachCourt and speak to a Customer Experience Team Member

Now What Happens??

You have submitted your case for filing through PeachCourt and it is pending acceptance by the Clerk. Now what happens?

The Clerk will either accept or reject the case for filing. You will receive notification via email when this is done, so again, please include an email address when you create your PeachCourt account.

If your case is accepted by the Clerk, it will then be forwarded to the Court Law Clerk for further review. Please make certain that you include contact information in the event that someone from the Clerk's Office or Judicial Staff needs to correspond with you.

If you have any additional questions, please feel free to consult with the receptionist at the front desk of the Clerk's Office. Thank you!

A Few More Important Tips:

- If you select the credit/debit method of payment, you will be charged for a “Convenience Fee” in addition to the standard filing fee of \$218.00 plus any sheriff service fee. This charge is assessed by PeachCourt for the use of a credit/debit card this was mention earlier.
- Once submitted, your filing has been sent to the Clerk to review and accept. IF your documents are in proper format, the Clerk will accept them. At this point, you will receive notification that your filing was accepted via email. If you were paying with a credit/debit card, your card will now be charged for the filing fee.
- Similarly, if your filing is rejected by the Clerk, you will receive an email notification with an explanation. Also, your credit/debit card will not be charged for the filing fee.
- What to scan each document under “what document type” to select.
