

PUBLIC NOTICE

From The Clerk of Superior Court, State and Juvenile Court Regarding Magistrate Civil Filings

Effective January 1, 2027, my office will no longer accept or process filings for the civil division of the Liberty County Magistrate Court.

For many years, I have served as Clerk for the Magistrate Court Judge's civil division as an optional court function. However, due to the substantial increase in the caseloads of Superior Court, State Court, and Juvenile Court, I must devote my full attention to the duties and responsibilities of my elected office.

Beginning January 1, 2027, all Magistrate Court civil filings must be filed with the Liberty County Magistrate Judge's Office at:

Liberty County Magistrate Court

Liberty County Justice Center, Suite 2100

201 South Main Street

Hinesville, Georgia 31313

Phone Number: 912-368-2063

The Magistrate Judge's Office is located on the second floor of the Liberty County Justice Center.

Thank you for your understanding and cooperation during this transition.

Respectfully,

Linda Dixon Thompson

Clerk of Superior, State, and Juvenile Courts

Liberty County
